_____ _____
Printed Name of Primary Permit Contact** Title/Position
**The permit is issued to the primary contact.

Instructions for Completing DHEC Form 2212
Expedited Review Request – Construction Permits

Purpose: S.C. Code of Laws, Title 44, Section 44-1-165 authorizes the Department of Health and Environmental Control (Department) to pilot an Expedited Review Program to provide a process for expedited permit application review for entities applying for an air construction permit. This form will be the cover sheet for DHEC forms 1924, and 1924a through 1924g.

Item-by-Item Instruction:

Facility Information:

1) Enter the name of the facility.
2) Enter the existing Air Permit number (if applicable).
3) Enter the name of the primary permit contact.
4) Enter the contact phone number and an alternate number.
5) Enter the e-mail address of the contact.
6) Enter the date the form is completed.

Permit Type:
Check one of the permit types listed in this table: Minor source construction permit; synthetic minor construction permit; Prevention of Significant Deterioration not impacting a Class I Area (no Class I modeling required); Prevention of Significant Deterioration impacting a Class I Area (Class I modeling required); General Permit Program: Minor source construction permit (concrete batch), minor source construction permit (hot mix asphalt plant), synthetic minor construction permit (concrete batch), synthetic minor construction permit (hot mix asphalt plant).

Enter the name of an alternate person and phone number if the contact cannot be reached.

Contact signs and dates the form.

Contact prints name and enters title or position.

"Coastal Zone Consistency Certification":
Before any state or federal permit can be issued for a project in the Coastal Zone, the S.C. DHEC - Office of Ocean and Coastal Resource Management (OCRM) must review the project for consistency with the Coastal Zone Management Plan. This certification is required of any project taking place in the eight coastal counties: Beaufort, Berkeley, Charleston, Colleton, Dorchester, Georgetown, Horry and Jasper. Facilities located in any of these eight coastal counties, must submit a copy of the Part I and all applicable Part II (A thru Ga) of the application package to:

William McGoldrick
S.C. DHEC-OCRM Charleston
1362 McMillan Ave., Suite 400
Charleston, SC 29405

Filing and Retention:
The Department files the original form with the permit file and retains according to retention schedule #HEC-AQC-3, which states the files are kept for 5 years after the end of the fiscal year in which the application was completed.
