

DEPARTMENT OF HEALTH AND ENVIRONMENTAL CONTROL

ERRATA

State Register Document No. 4564

June 24, 2016

The Department promulgated amendments of Regulation 61-13, *Standards for Licensing Habilitation Centers for Persons with Intellectual Disability or Persons with Related Conditions*, which took effect as final regulations in the *State Register* May 27, 2016, as Document No. 4564.

This notice is to correct the following scrivener's errors:

In Section 1203.C.5, the word "does" is corrected to "dose" to read as follows:

5. Promptly recording on the medical administration records, as it is administered, the date, time, dose given, mode of administration, and identification of the individual who administered the medication.

In Section 2200.B, the scrivener's error referencing Section 2201.A is corrected to Section 2200.A to read as follows:

B. The water heater or combination of heaters shall be sized to provide at least six (6) gallons per hour per licensed bed at the temperature range indicated in Section 2200.A.
