SC DHEC, BAQ, has received a Part 70 Operating Permit Application for this facility, and has drafted an operating permit that will allow the facility to operate as a major source under the requirements of SC DHEC Regulation 61-62.70 - Title V Operating Permit Program. This permit will enable the facility to operate in compliance with State and Federal Air Quality Regulations. The draft/proposed permit has not yet been approved and is open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by the end of the public notice period listed above, to Ruthie Hall at the above DHEC address or by e-mail at hallmr@dhec.sc.gov. All comments received by the end of the notice period, will be considered when making a decision to approve, disapprove, or modify the draft permit. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to Ruthie Hall at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given thirty (30) days in advance. If you have questions concerning the draft permit, please contact Susan Peterson at the phone number listed above. A final review request may be filed after the permit decisions have been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through the end of the notice period listed above, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Spartanburg BEHS Office, 151 E. Wood Street, Spartanburg, SC 29303

The draft/proposed permit is also undergoing a parallel permit review by Region 4 of the EPA. Should DHEC receive significant comments on the draft/proposed permit and/or make substantive changes, EPA may exercise its rights for an additional 45-day review. However, if no significant comments are received, and no substantive changes have been made, the permit may be issued following the parallel review period.

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing to the Freedom of Information Office; fees may apply. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice, along with the draft permit and statement of basis, may be viewed through the end of the notice period on DHEC's website at: <http://www.scdhec.gov/PublicNotices/>.
