Subject: Ebola Preparedness: Emergency Department Training Modules

The following message is for the Healthcare Providers:

The CDC has posted "Ebola Preparedness: Emergency Department Training Modules". The available modules provide training for emergency department staff on how to evaluate whether or not a patient might have Ebola Virus Disease (EVD). This includes methods for screening, isolation, evaluation and management of potential EVD patients. The modules are available on the CDC Website at: <http://www.cdc.gov/vhf/ebola/healthcare-us/emergency-services/emergency-department-training.html>.

If you have any questions, please feel free to email us at Ebola@dhec.sc.gov.
