

## **Adjustments to the South Carolina State Implementation Plan**

The adjustments to the South Carolina State Implementation Plan (SIP) include updates to the *South Carolina 8-Hour Ozone Attainment Demonstration for the Portion of York County, South Carolina within the Rock Hill-Fort Mill Area Transportation Study Metropolitan Planning Organization* and Appendix O, which addresses Reasonable Further Progress (RFP). Both were originally submitted to the EPA on August 31, 2007, and resubmitted November 13, 2009.

### **Attainment Demonstration**

The nitrogen oxide (NO<sub>x</sub>) emissions and NO<sub>x</sub> motor vehicle emissions budget (MVEB) that appear in Tables VII-1 and VII-2 on page 81 of the attainment demonstration narrative and in Tables F.3-4 and F.3-5, on page 11 of Appendix F.3, have been updated. The Mobile6.2 files shown beginning on page 13 of Appendix F.3 were also updated.

Volatile organic compound (VOC) emissions, a VOC budget, and text updates reflecting the addition of the VOC budget have been added to the attainment demonstration narrative and Appendix F.3. These updates can be found on page 81 of the attainment demonstration narrative and pages 7 and 10-11 of Appendix F.3.

### **Appendix O: *Reasonable Further Progress***

Appendix O has been amended with the addition of Section V, RFP 2008 volatile organic compound (VOC) MVEB.
