Re: Transfer of Ownership Request for Permit No. 9900-0025

Dear Mr. Reynolds:

The South Carolina Department of Health and Environmental Control, Bureau of Air Quality (Department), on June 27, 2012, received a Facility Profile Update & Ownership Form for the above-referenced permit number. In accordance with S. C. Regulation 61-62.1, Section M., Transfer of Ownership/Operation, the Department hereby notifies you all permits issued by the Department have been transferred from Colprovia Asphalts, Division of Seaco, Inc. to Associated Asphalt Columbia, LLC t/a Colprovia Asphalts.

The Department is currently processing a Conditional Major Operating renewal permit application request, received on January 12, 2012. Your facility shall operate pursuant to the most recent Conditional Major Operating Permit until such time as the Department has taken final action on the request for renewal.

Please be advised that when transferring permits, final reports covering the time period from the facility's last report submitted to the date of official transfer of ownership will be due 30 days from the date the permits were transferred and should be sent to the Manager of the Technical Management Section and/or to the Manager of the Air Toxics Section as required by the permit or state/federal regulation. If you have any questions concerning reports contact Dawn Jordan at 803-898-4075 or by e-mail at jordandm@dhec.sc.gov.

It is important for you and/or an authorized representative responsible for the overall operation of this facility to read your permit(s) carefully and to understand all requirements. If you have any comments or questions concerning your permit(s), contact Kirk Schneider at 803-898-4023 or by email at schneikg@dhec.sc.gov.

Sincerely,

Elizabeth J. Basil
Director, Engineering Services Division
Bureau of Air Quality
