D B Pace Acquisition, LLC (DB Pace)  
Charleston County

Dear Mr. Garten:

On January 19, 2017, the Department of Health and Environmental Control (Department) informed DB Pace that information received by the Department warranted further consideration with regard to the referenced Voluntary Cleanup Contract. The Department requested that DB Pace provide additional information by Friday, February 3, 2017, to be considered in reaching a decision whether to enter into the Voluntary Cleanup Contract.

We have been informed that DB Pace will not be providing the requested additional information for our consideration. Therefore, the Department has made the decision not to enter into the Voluntary Cleanup Contract.

Please contact me if you have any questions.

Regards,
