Please use this space to sketch a drawing of the property.

**Does not need to be drawn to exact scale, but should be legible and drawn clearly.**

Sketch must include labelling the location, dimensions, and distance from property lines of existing and/or proposed:

- Primary building.
- Septic tank and drain field area.
- Wells, including those on adjacent properties.
- Underground utility lines, existing drainage pipes, and/or easements.
- Driveways, parking areas, or other vehicular traffic or traffic bearing structures.
- Porches, decks, pools, garages, carports, out-buildings, and other permanent structures and their dimensions.
- Show areas of any proposed grading or other soil disturbance, changes in drainage patterns, or changes in surface or topographical features on the site.

**Please note that any changes such as grading, soil disturbances, or site alterations to topography could negatively impact the wastewater system or lead to permit revocation.**

Check here if the sketch is attached or on the plat instead of this application.

Check here if application will be ready for activation on 6/10/16 by Applicant JD or Staff \_\_\_\_\_.
