Radon Measurement Training

Schedule

Residential Radon Measurement

September 28-29, 8:00am - 5:30pm

Exam: September 29, 6:00pm

2-Day Course Approved for:

- Initial Certification for Residential Measurement Service Provider*
- Certification Exam Preparation & Prerequisite
- 16 NRPP & NRSB Category I CE Credits
- 16 ASHI CEUs
- Up to 12 SC LLR CEUs

Instructor: Shawn Price, AARST President, and
Spruce Environmental Technologies

This two-day, entry-level course prepares you for and is a pre-requisite to the National Radon Proficiency Program (NRPP) and National Radon Safety Board (NRSB) radon measurement certification exam. You must pass one of the exams to become certified by NRPP or NRSB. The NRPP measurement exam will be made available to you immediately after course completion.

* Not accepted in Florida, Illinois and New Jersey, where requirements and exams differ.

Registration Deadline: September 18, 2015

IMPORTANT NOTE: Course and exam registrations and/or cancellations must be received at least 3 days prior to date of course whenever possible or a late cancellation fee may be charged.
