

South Carolina Radon Test Kit Request Form

Please fill out this form to request a free radon test kit. It is important that this form be filled in completely and accurately. If the form is not properly completed, a kit cannot be sent to you. Test kits can only be supplied for homes located in South Carolina.

Please note: If this request is for a real estate transaction, we cannot fill the request. Please contact the Radon Program directly for additional guidance on how to properly test a home for a real estate transaction.

Fields with an asterisk (*) are required.

Information on the home to be tested: Please note that the homeowner must request the kit. Requests cannot be made by friends or family members. Only one kit per household can be sent. If you believe you need more than one test kit, please contact the Radon program directly.
