Public Notice: #09-118-TV-SM

Date: October 7, 2009

NOTICE OF A PROPOSED SIGNIFICANT MODIFICATION TO AN EXISTING PART 70 AIR QUALITY (TITLE V OPERATING) PERMIT

BP AMOCO CHEMICAL COMPANY (COOPER RIVER SITE) HIGHWAY 98 & CLEMENTS FERRY ROAD WANDO, SOUTH CAROLINA (BERKELEY COUNTY / REGION 7 CHARLESTON EQC OFFICE) AIR PERMIT NO. TV-0420-0029

BP Amoco Chemical Company has applied to the SC DHEC for a significant modification to their existing Part 70 Air Quality (Title V Operating) Permit for its existing Cooper River Site. Draft Revised Title V Operating Permit and Statement of Basis have been written by the BAQ incorporating and outlining the proposed project and applicable regulations. The draft revised permit includes the following:

- Revised Condition 6.B.21 to remove temperature values for High Pressure Vent Gas Treatment System CR#1 and replace them with source test language to establish appropriate operational ranges.

If approved, the draft revised Title V Operating Permit will enable the facility to continue to operate as a major source in accordance with SC DHEC Regulation 61-62.70 "Title V Operating Permit Program." All emissions limitations and conditions contained in the draft revised permit have been written to ensure that the facility operates within the requirements of the Title V Operating Permit Program for the State of South Carolina. The draft revised permit has not yet been approved and is open to comment from the public, affected states, and the United States Environmental Protection Agency (EPA).

Interested persons may review the materials drafted and maintained by DHEC for this facility and submit written comments on the draft permit by November 5, 2009, to Karen Lee at the above DHEC address or by e-mail at leeka@dhec.sc.gov. Where there is a significant amount of public interest, DHEC may hold a public hearing to receive additional comments. Public hearing requests should be made in writing to Karen Lee at the above DHEC address or by e-mail. If a public hearing is requested and scheduled, notice will be given in this newspaper thirty (30) days in advance. If you have questions concerning the draft permit please contact Tracey Stewart at the phone number listed above. A final review request (appeal) may be filed after a permit decision has been made. Information regarding final review procedures is available from DHEC's legal office at the above address or by calling (803) 898-3350. Information relative to the draft permit will be made available for review through November 5, 2009, at the DHEC Columbia Office listed above and at the following location:

SC DHEC, Region 7 Charleston EQC Office, 1362 McMillan Avenue, Suite 300, Charleston, SC 29405 at (843) 953-0150

Information on permit decisions and hearing procedures is available by contacting DHEC at either address listed above. Copies of a draft permit or other related documents may be requested in writing at a \$.25 per page charge. Please bring this notice to the attention of persons you know will be interested in this matter.

This public notice along with the draft permit and statement of basis may be viewed through November 5, 2009, on DHEC's website at: <http://www.scdhec.gov/environment/baq/eqpnbaq.aspx>
