CM-1900-0172 and CM-1900-0206**

**FinnChem USA, Inc.  
191 Wateree Station Road  
Eastover, South Carolina 29044**

**FinnChem USA, Inc.  
200 Wateree Station Road  
Eastover, South Carolina 29044**

**November 5, 2013**

In accordance with the provisions of the amended appeal process for DHEC decisions in 2006 Act No. 387, Section 44-1-60(D), and the 1976 Code of Laws of South Carolina, as amended, a Department Decision has been made to issue Air Quality renewed Conditional Major Operating Permit Nos. CM-1900-0172 and CM-1900-0206 to the above-named permittees. These permits were previously placed on public notice and open for public comment from August 30, 2013 through September 28, 2013. A Public comment was received by DHEC during the comment period. The Comment received during the formal comment period regarding air quality issues has been addressed in DHEC's *Responses to Comments on Air Quality* document attached to this Department Decision. DHEC's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, any comment received within the required time frame, and all other pertinent information.

This Department Decision regarding Air Quality renewed Conditional Major Operating Permit No. CM-1900-0172 and CM-1900-0206 includes the following; a) the issued permits which meets the requirements of all applicable air quality regulations (Attachment A); b) The Statement of Basis which contains a summary of the project, applicable/non-applicable regulations and an explanation of the permit decision (Attachment B); c) the comment made by a concerned citizen and the response by the Bureau of Air Quality, as outlined in the Response to Comments (Attachment C) and This Department Decision (including attachments) will be included in DHEC's administrative record for this permit decision.

**Elizabeth J. Basil, Director  
Engineering Services Division  
Bureau of Air Quality**
