and Environmental Control

Department Decision

Air Quality Title V Operating Permit No. TV-1140-0005 and Title IV Acid Rain Permit No. IV-1140-0005

**SCPSA - Santee Cooper Winyah Generating Station
661 Steam Plant Drive
Georgetown, SC 29440**

October 2, 2014

In accordance with the provisions of the amended appeal process for DHEC decisions in 2006 Act No. 387, Section 44-1-60(D), and the 1976 Code of Laws of South Carolina, as amended, a Department Decision has been made to issue Air Quality Title V Operating Permit No. TV-1140-0005 and Title IV Acid Rain Permit No. IV-1140-0005 to the above-named permittee. This permit was previously placed on public notice and open for public comment from February 7, 2014, through March 8, 2014. Comments were received by DHEC during the comment period. Comments received during the formal comment period regarding air quality issues have been addressed in DHEC's *Responses to Comments on Air Quality* document attached to this Department Decision. DHEC's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, comments received within the required time frame, and all other pertinent information.

This Department Decision regarding Air Quality Title V Operating Permit No. TV-1140-0005 and Title IV Acid Rain Permit No. IV-1140-0005 includes the following; a) the issued permit (Attachment A) which meets the requirements of all applicable air quality regulations; b) a summary of the project, permit, and applicable regulations as outlined in the Statement of Basis (Attachment B); and c) a summary of the comments made by concerned citizens regarding air quality issues and responses by the Bureau of Air Quality, as outlined in the *Responses to Comments on Air Quality* (Attachment C). This Department Decision (including attachments) will be included in DHEC's administrative record for this permit decision.

**Elizabeth J. Basil, Director
Engineering Services Division
Bureau of Air Quality**
