

CONSTRUCTION IN NAVIGABLE WATERS GENERAL PERMITS

- SC GP 2007-001 (General Public) (Revised)**
Statewide general permit for construction, installation, maintenance and/or repair of piers, floating docks (including joint use and community docks), boat lifts, mooring piles, dolphins, covered boat sheds and dock covers, for private non-commercial.

- SC GP 98-002 (General Public) (Revised)**
Statewide general permit for installation of utility lines including but not limited to phone, power, cable, television, natural gas and water sewer by directional boring.

- SC GP 2009-001 (General Public) (Revised)**
General Permit for authorization, subject to the general and special conditions contained herein, activities that are subject to permitting by the US Army Corps of Engineers (Corps) and quality for nationwide permits (NWP) issued by the Corps where such activities have been certified by the Department in accordance with Section 401 of the Clean Water Act and are in accordance with all conditions pursuant to the certification. Some NWP contained herein are subject to Section 10 navigable waters only and the 401 Certification is not applicable.
