Permit ID: 64836

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Sid Brantley
88 5th Avenue
Mount Pleasant, South Carolina 29464

LOCATION: On and adjacent to Wando River at 88 5th Avenue, Mount Pleasant, Charleston County, South Carolina. TMS#'s 514-05-00-024.

WORK: The work as proposed and shown on the attached drawings consists of performing maintenance & repair and modifications on the existing permitted dock and breakwater. Specifically, the applicant proposes to enlarge and replace the existing 60' long breakwater wall with a 14' x 80' concrete or aluminum float, enlarge and replace the existing floating dock with a 14' x 80' concrete or aluminum float, replace the wooden gangway with an aluminum gangway, construct a 15' x 25' roof over the existing pierhead, and install handrails on both sides of the dock walkway and pierhead. The work as described is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before May 16, 2009. For further information please contact the project manager for this activity, Steven Brooks at (843) 953-0235.
