APPLICANT: Mark S. Siegel
C/o O'Quinn Marine Construction, Inc.
95 Sheppard Road
Lady's Island, SC 29907

WORK: The work, as proposed and shown on the attached plans, consists of making additions to an existing private dock. The purpose of the proposed dock additions is for the applicant's private, recreational use.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.
