The DHEC Office of Ocean and Coastal Resource Management is mandated by the Beachfront Management Act to review the position of the beachfront baseline and 40-year setback line, the state's beachfront jurisdictional lines, every 8 to 10 years. On May 8, 2009, DHEC-OCRM issued a public notice concerning proposed revisions to the baseline and 40-year setback line for Harbor Island, Hunting Island, Fripp Island, Pritchards Island, Little Capers Island, St Phillips Island, and Bay Point Island in Beaufort County. That public notice listed June 12, 2009, as the deadline for public comments.

Based on comments received during the initial comment period and at the public hearing held on May 28, 2009, **DHEC-OCRM has extended the public comment period on these proposed line revisions through July 17, 2009.**

Maps showing the proposed new lines are available for review at DHEC-OCRM's offices in Myrtle Beach at 927 Shine Ave., in Beaufort at 104 Parker Drive, and in Charleston at 1362 McMillan Ave., Suite 400. They are also available as PDF files that can be downloaded from DHEC-OCRM's website at: <http://www.scdhec.gov/environment/ocrm/permit/beachfront.htm>

All interested persons are encouraged to view the revised baseline and setback line positions and provide written comments to Bill Eiser, project manager, at the DHEC-OCRM office at 1362 McMillan Ave., Suite 400, Charleston, SC, 29405. **All comments must be received by DHEC-OCRM by July 17, 2009.**
