

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT
PERMIT APPLICATION PUBLIC NOTICE**

July 3, 2009

Permit Number: OCRM-09-879-L
Permit ID: 67301

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

APPLICANT: Santee Cooper
C/o Florence & Hutcheson Inc
PO Box 50800
Columbia SC 29250

LOCATION: On and adjacent to Mackay Creek near Fording Island Road Extension, Hilton Head Island, Beaufort County, South Carolina. TMS#: N/A

WORK: The work as proposed and shown on the attached plans consists of upgrading, replacing, and relocating existing utility pole structures within the critical area. Specifically, the applicant is proposing to replace approximately 22 existing wood and steel mixed utility pole structures. Approximately 7 pole structures on the south side of US Highway 278 will be replaced within an existing utility easement. Approximately 15 existing pole structures on the north side of US Highway 278 will be replaced within a 70' northward expansion of the existing utility easement. The purpose of the activity is to upgrade the existing structures and to accommodate the proposed Bluffton Parkway extension.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

To assure review by OCRM, comments regarding this application must be received by OCRM on or before August 2, 2009. For further information please contact the project manager for this activity, Kathleen Lamaker at 843-846-9400.
