

C. Earl Hunter, Commissioner

Promoting and protecting the health of the public and the environment

NOTICE OF PUBLIC REVIEW AND COMMENT PERIOD

November 06, 2009

The final draft report of the South Carolina Shoreline Change Advisory Committee is available for public review and comment until December 04, 2009. Public comments received during this period will be documented in the final report, which will be released in early 2010.

To download the report, please click on the cover image.

The draft final report is available as a PDF document online:

http://www.scdhec.gov/environment/ocrm/science/shoreline_comm.htm

Comments should be submitted in writing (email strongly preferred) to:

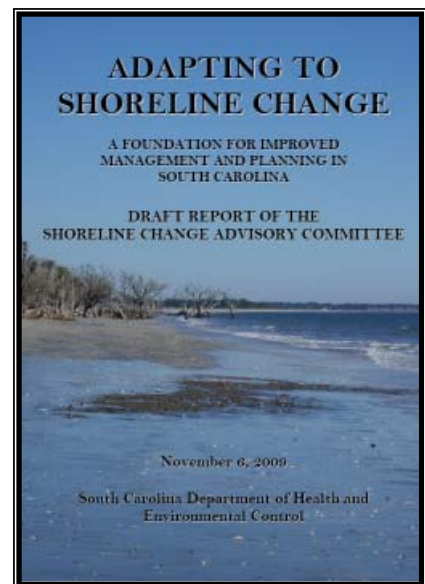

Braxton Davis

SCDHEC-OCRM

1362 McMillan Ave., Suite 400

Charleston, SC 29405

E-mail: davisbc@dhec.sc.gov

Organized by DHEC, the Shoreline Change Advisory Committee is comprised of a broad cross-section of stakeholders including scientists, coastal managers, municipal officials, conservationists, development and legal professionals. The committee's purpose is to organize existing shoreline research, identify research priority needs and consider policy-related issues concerning the future management of South Carolina's estuarine and beachfront shorelines. Additional information is available online at:
