

STD/HIV Division Training Calendar 2009

The STD/HIV Division has scheduled the following courses for the 2009 calendar year. All trainings are open to DHEC Staff, DHEC-funded Contractors, Health Service Organizations, AIDS Service Organizations, Community-based Organizations, and Faith-based Organizations unless otherwise indicated. **Priority for training slots will be given to DHEC-funded contractors and Health Department staff.** Registration pre-requisite requirements must be met before registration can be confirmed. DHEC *does not* provide lunch or break items at these trainings. All trainings will start promptly at 9:00 a.m. unless otherwise indicated on the training announcement and registration forms. A 15-minute grace period will be given to late attendees, after such time admission will be closed.

To register for course, complete the attached training announcement form, and mail or fax (803-898-0573) the form to the following address:

James Harris, Jr.
Mills/Jarrett Complex
1751 Calhoun Street
Columbia, SC 29201

Registrations must be received a minimum of ten business days prior to the course date(s).

To learn more about the course content you may contact James Harris, Jr., Division Training Coordinator at 803-898-0480 or by e-mail at harrisj@dhec.sc.gov. For additional information, you may also visit our web site at: <http://www.scdhec.gov/health/disease/stdhiv/training.htm>. Calendar dates and locations are subject to change. Registration information can be faxed to 803-898-0573

Title	Description	Target Audience	Instructor/ hours	Date/ Location
The ABC's of Hepatitis and HIV.	This 4-hour course will provide basic information about common types of viral hepatitis: history of the diseases, incidence and prevalence, prevention, transmission, symptoms, care and testing, counseling, high-risk groups, treatment, health department services related to hepatitis.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	George M. Carnett, CCDP-CRPC Elona Rhame, RN, MSN, MPH Viral Hepatitis Prevention Coordinator Training Hours: 4	April 28, 2009 Columbia, SC

<p>Advanced HIV Prevention Counseling and Risk Reduction</p>	<p>This 1-day course will focus on building the skills necessary to provide effective testing and counseling skills. It will address challenges encountered while working with clients in areas of giving test results, risk assessments and risk reduction counseling.</p> <p>Prerequisites: HIV 101 (or HIV/AIDS Starter Facts), STDs 101, and S.C. <p>Addressing the Prevention Needs of Clients Who Test HIV Positive</p>	<p>This 2-day training is designed to prepare participants to provide counseling services to people living with HIV to avoid sexual and substance use behaviors that can result in transmitting HIV to others and negative health outcomes for themselves.</p> <p>Prerequisites: HIV 101 (or HIV/AIDS Starter Facts), STDs</p>	<p>DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations</p>	<p>Training Hours: 13 9 am – 5 pm</p>	<p>TBA Columbia, SC</p>

	<p>101, and S.C. HIV/STD Laws <i>and</i> Fundamentals of HIV Prevention Counseling or Test Decision Counseling, Result Counseling and Risk Reduction Counseling</p>			
<p>Assuring the Quality of HIV Prevention Counseling: Practical Approaches for Supervisors (QA)</p>	<p>After completing this course, supervisors will have the skills needed to assure the quality of HIV prevention counseling and the knowledge to apply the quality assurance recommendations of the November 2001 <i>Revised Guidelines for HIV Counseling, Testing, and Referral</i>. They will learn a quality assurance process for HIV prevention counseling; review the guidelines' recommendations, counseling concepts, and skills; gain knowledge of a six-step HIV prevention counseling protocol; and master supervisory approaches for the quality assurance activities of record review, individual and case conferences, direct observation, and feedback. <i>Supervisors taking this course should have taken or delivered the CDC's "Fundamentals of HIV Prevention Counseling" course.</i></p>		<p>CDC Training Staff</p> <p>Training Hours: 25.5</p> <p>9 a.m. to 5 p.m.</p>	<p>September 22-24, 2009 Columbia, SC</p>
<p>Counseling, Testing, and Referral for Program Managers in Non-Clinical Settings (CTR)</p>	<p>After completing this course, program managers and supervisors will be prepared to provide quality, well-organized counseling, testing, and referral services in non-medical settings. The curriculum contains techniques that are essential for managing programs and for managing and hiring staff. The topics covered include 1) core elements and key characteristics of CTR, 2) instruction on how to write procedures and policies, 3) group exercises on how to identify and manage challenges related to CTR, 4) change management, 5) task analysis for QA and hiring, 6) Gantt charts for project management, 7)</p>	<p>Program Managers and Supervisors</p>	<p>CDC Training Staff</p> <p>Training Hours: 19.5</p> <p>9 a.m. to 5 p.m.</p>	<p>June 23-25, 2009 Columbia, SC</p>

	creation and management of systems for linkages and referrals, 8) quantitative elements of project management, and 9) problem solving.			
Ethics, Boundaries, and Limitations **	This workshop will provide an overview on professional ethics and proper provider-client boundaries. The first part of the training will lay the foundation for what is ethics and how to recognize and handle ethical dilemmas. The second part of this training will specifically address ethical boundary issues with clients.	DHEC-funded Contractors, ASO, New Case Managers, and Health Service Organizations	Elizabeth Peters, MBA, CSPP Training Hours: 7 9 am – 5 pm	TBA – Fall 2009
From Theory to Practice: Behavioral Change in the Real World	This interactive workshop will explore the Stages of Change Model in order to help participants understand the practical and psychosocial components of behavior change. Participants will reflect on their own process of behavior change in order to enhance their understanding of the challenges people face in adopting and maintaining HIV-related health behaviors.	DHEC HIV Prevention Social Workers, Health Educators, HIV Prevention Contractors, Ryan White Care Providers, Prevention Specialist and AOD Counselors, and other Health and Human Service Providers	Training Hours: 6.5 9 am – 5 pm	TBA Columbia, SC
Fundamentals of HIV Prevention Counseling <i>Note: This course is a requirement for all prevention counseling course</i>	This 2-day training prepares attendees to provide client-centered HIV pre- and post-test counseling. Emphasis will be placed on helping clients make informed testing decisions, providing test results, and working with clients to reduce their risk for HIV infection and transmission. Prerequisite: HIV 101 (or HIV/AIDS Starter Facts), STDs	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Maureen Stewart Training Hours. 13 9 am – 5 pm	April 16-17, 2009 Columbia, SC

	101, and S.C. HIV/STD Laws			
Fundamentals of Waived Rapid HIV Testing and Prevention Counseling (RT TOT)	After completing this course, trainers will be prepared to teach providers how to conduct rapid HIV testing using the OraQuick Advance Rapid HIV-1/2 Antibody Test and how to incorporate the six-step protocol of HIV prevention counseling. Participants will learn how to teach others to conduct a finger stick to collect a blood sample for the OraQuick Advance Rapid HIV-1/2 Antibody Test and to collect an oral sample for the OraQuick Advance Rapid HIV-1/2 Antibody Test. Other topics discussed will include giving a preliminary positive test result or a negative test result, and explaining an invalid test by following CDC's November 2001 <i>Revised Guidelines for HIV Counseling, Testing, and Referral</i> . Prior to taking this course, CDC recommends that participants take the "Fundamentals of HIV Prevention Counseling" course. In addition, you must be familiar with the test on which you wish to provide training.	Trainers	CDC CBA Training Staff Training Hours: 19.5 9 a.m. – 5 p.m.	August 18-20, 2009 Columbia, SC
Group Facilitation Skills	This three-day course is designed to provide individuals involved in HIV prevention with the knowledge and skills necessary to facilitate small group sessions effectively. It utilizes a very interactive format that includes group, pair and individual activities. The activities range from developing strategies to handling difficult group participants to conducting small group sessions.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Dr. Patricia Frye JSU MURC Marty Fortenberry, MA JSU-MURC Training Hours: 19.5 9 a.m. –5 p.m.	February 11-13, 2009 Columbia, SC April 22-24, 2009 Columbia, SC Other dates: TBA
Healthy Relationships	This 4-day training builds on a curriculum that is designed as a small-group intervention for men and women living with HIV/AIDS. Based on the Social Cognitive Theory that focuses on the development of skills, positive expectations, and	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and	Training Hours:	June 9-12, 2009 Columbia, SC

	self-efficacy about new behaviors through modeling behaviors and practicing new skills	Health Service Organizations	28 8:30 am – 5 pm	
HIV 101: A Basic HIV Knowledge-Based Course	This course is designed to provide entry-level participants with a basic understanding of HIV/AIDS infection. PEMS Software Training	This 2-day training is designed to provide the participants with details and resources in the proper implementation of the PEMS software and related data collection issues	HIV Prevention Contractors (Only)	Roshan McDaniel Training Hours: 13.5 Hrs.	TBA
Planning, Implementing, and Monitoring an HIV Rapid Test Program (RT for Program Managers)	After completing this course program Managers and supervisors will have the skills necessary to conduct assessments to determine community and agency readiness to adopt HIV Rapid Testing. They will also have the skills necessary to implement an HIV rapid testing program which includes meeting Federal and local CLIA regulations, policy development, staffing, and training plans. Program Managers and supervisors will also learn how to conduct Quality Control and Quality Assurance activities related to HIV rapid testing as well as how to monitor their program on a day-to-day basis. This course is a must-have for anyone overseeing an HIV rapid testing program. Requires Counseling/Testing Coordinator's approval.	Program Managers who oversee HIV Rapid Testing Programs	CDC CBA Training Staff Training Hours: 19.5 9 a.m. – 5 p.m.	September 29 – October 1, 2009 Columbia, SC
Popular Opinion Leader (POL)	This 3-day course is for people who are preparing to implement or facilitate the "Popular Opinion Leader" (POL) intervention in their own communities. This course is designed to improve the ability and skills of community-based organizations to implement the POL intervention by being able to; explain the basic	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	TBA Training Hours: 19.5	June 16-18, 2009 Columbia, SC

	logic underlying the POL intervention; understand how to implement the activities; and identify sources of technical assistance for implementation.		9 am -5 pm	
RESPECT	<p>This intensive two-day workshop provides STD/HIV front-line providers with the training to implement RESPECT, a two-session client-focused intervention of HIV prevention counseling. The intervention is designed to reduce high-risk sexual behaviors and prevent new sexually transmitted infections. Project RESPECT is based on the Theory of Reasoned Action, which explains how behaviors are guided by attitudes, beliefs, experiences, and expectations of other persons' reactions, and on Social Cognitive Theory, which states that persons learn by observing other people successfully practice a new behavior. The intervention target population is heterosexual persons 14 years and older.</p> <p>Prerequisites: HIV 101 (or HIV/AIDS Starter Facts), STDs 101, and S.C. HIV/STD Laws <i>And</i> Fundamentals of HIV Prevention Counseling or Test Decision Counseling, Result Counseling and Risk Reduction Counseling</p>	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	<p>UT Southwestern Staff facilitators</p> <p>Training Hours: 13.5</p> <p>9 am-5 pm</p>	October 7-8, 2009 Columbia, SC
S.C. HIV/STD Laws	This 1-day training will provide participants with a knowledge base about South Carolina Law. The intent is to give participants an introduction and overview to some of the many legal issues arising from the HIV/AIDS epidemic. It is not intended as a legal guide and should not be used	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service	<p>Bernard Gilliard, BS</p> <p>Training Hours: 6.5</p>	<p>March 19, 2009 Columbia, SC</p> <p>June 9, 2009 Columbia, SC</p>

	as a substitute for the advice of a lawyer.	Organizations	9 am – 5 pm	August 11, 2009 Columbia, SC (Live and Televised) October 6, 2009 Columbia, SC
STD 101	<p>This course will increase staff’s ability to help their clients agree on quality risk reduction plans that focus on the connection between STDs and HIV (in terms of susceptibility and communicability). It will emphasize the importance of regular STD exams for early detection and treatment of STDs and will identify available resources for more information about STDs. The session will also include an activity that focuses on frequently asked questions from clients.</p> <p>Course objectives include:</p> <ul style="list-style-type: none"> ◆ Describe the signs, symptoms and complications of common STDs; ◆ Discuss the importance of early diagnosis and treatment of STDs; ◆ Attain a thorough understanding of the way STDs can effect HIV susceptibility and communicability; ◆ Assist clients in developing effective, viable risk reduction plans for HIV and other STDs; ◆ Identify available resources for information about STDs, including HIV <p>This course is prerequisites for Fundamentals of HIV Prevention Counseling and Fundamentals of Waived Rapid HIV Testing and Prevention Counseling.</p>	CBO staff, health educators, social workers, nurses, case managers, consumers and others working in the field of STD/HIV.	<p>Linda Brown, MPH</p> <p>Training Hours: 6.5</p> <p>9 am – 5 pm</p>	<p>May 7, 2009 Columbia, SC</p> <p>September 10, 2009 Columbia, SC</p>

Selecting Effective Behavioral Interventions	This course is designed for the agency staff who make decisions about which Effective Behavioral Interventions (EBIs) are the best fit for the population served by the agency. This may include HIV/STD prevention and care programs directors, managers, coordinators, and some direct providers.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Venus Dukes, MS Alvin Dawson, MA Training Hours: 13.5	July 21-22, 2009 Columbia, SC
The SISTA Project Intervention Training (Training of Facilitators)	This is a 4-day training for facilitators of the SISTA intervention. It builds on social skills training intervention for African American women aimed at reducing risky sexual behavior. Completion of all three days is required. Teaching Strategies include lecture, group activities, group discussion and some non-traditional education methods.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Virginia King Teretha Fowler Training Hours: 21 9 am – 5 pm	March 10-13, 2009 Columbia, SC August, 2009 (TBA) Columbia, SC
Understanding Sexual Addiction	This 2-day workshop is designed to provide participants with a deeper understanding of the relationship of Sexual Addiction to the spread of HIV transmission, the nature of this illness, and ways to appropriately treat those who suffer it.	DHEC HIV Prevention Social Workers, Health Educators, HIV Prevention Contractors, Ryan White Providers, Prevention Specialists and AOD Counselors, and other Health and Human Service Providers	Mildred Williams, MA, MA, CACII Training Hours: 13 9 am – 5 pm	July 23-24, 2009 Columbia, SC December 3-4, 2009 Columbia, SC

Using Process Evaluation to Strengthen EBI's	This intensive two-day workshop discussing the basic information and terminology and organization needs to conduct process evaluation. Participants will practice developing a logic model for program improvement, writing and prioritizing evaluation questions, and creating valuable objectives. This course is designed for those individuals who need a foundation in process evaluation to improve program capacity. It is not meant to be an advanced course in outcome monitoring or evaluation.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Training Hours: 13.5	September 15-16, 2009 Columbia, SC
VOICES/VOCES (Training of Facilitators)	This two-day training is for persons wanting to facilitate VOICES/VOCES, a video based single session small group STD/HIV prevention intervention designed to encourage condom use among heterosexual African American and Latino men and women.	DHEC Staff, DHEC-funded Contractors, CBO, ASO, Faith-based and Health Service Organizations	Maurice Adair Christa Guicherit Training Hours: 14 9 am – 5 pm	May 14-15, 2009 Columbia, SC September 17-18, 2009 Columbia, SC

SELF-STUDY & ONLINE INSTRUCTION
