

## COURSE ANNOUNCEMENT

“Orientation for Nurses Practicing in South Carolina’s School Settings”  
 Location: Columbia, SC (details provided upon registration)  
 March 10-12, 2010

The “Orientation for Nurses Practicing in South Carolina’s School Settings” is a three-day course designed to complement a school district’s orientation for recently hired nurses by providing an introduction to issues pertinent to successful nursing practice within a coordinated school health framework. Registration is open to Registered Nurses and Licensed Practical Nurses. There is no registration fee for this course; however you must register in order to attend. Attendants will be responsible for costs related to travel, lodging and meals.

An application for nursing contact hours will be submitted.

**DEADLINE FOR REGISTRATION:**  
 February 15, 2010

### Topics to be covered include:

- Screening Procedures
- Immunizations
- Medications in a School Setting
- IDEA and Section 504
- Documentation
- Nursing Practice Issues
- Coordinated School Health Programs
- Comprehensive Health Education
- Individualized Health Care Plans
- Managing Students with Chronic Illnesses
- Managing School Emergencies
- Child Abuse & Neglect
- Confidentiality

***Training space is limited so please register early. Participants are expected to attend all three days.***
