

Help **STOP** the spread of flu.

Remember:

We do not provide sick care for respiratory illnesses. If you are sick and need medical care, see your healthcare provider.

Let us know if you are having any flu-like symptoms **immediately.**

- Fever
- Sore throat
- Cough
- Headache
- Muscle aches

We may ask you to:

- Put on a mask and use hand sanitizer.
- Reschedule your appointment.

We appreciate your patience as we try to keep **all** of our customers healthy this flu season.
