
2015 South Carolina Health Care Preparedness Program (HPP) Summit

Overcoming Disaster: The Road to Health Care System Recovery

Purpose:

Advance the preparedness, coordination and collaboration of our community health care organizations, response partners and public health providers to achieve SC HPP goals.

Objectives:

- » Exchange information that supports recovery planning that emphasizes health care system strengthening, coordination and leveraging of resources.
- » Enhance the development of community partnerships to plan and advocate for the rebuilding of South Carolina's public health, medical and mental/behavioral health systems.
- » Enrich the resiliency in South Carolina communities by developing appropriate recovery plans for health and social systems that can be activated before, during and after a disaster.

Special Needs:

SC Department of Health and Environmental Control wishes to ensure that no individual with a special need is excluded, denied services, segregated or otherwise treated differently from other individuals because of the absence of auxiliary aids and services. If you need any of the auxiliary aids or services identified in the Americans with Disabilities Act, please contact Dianne Minasian at minasids@dhec.sc.gov or (803) 898-4415.

Cost of Program and Funding:

There is no cost for attending the program. Funding for this program is provided by the U.S. Department of Health and Human Services' Office of the Assistant Secretary for Preparedness and Response (ASPR)/National Healthcare Preparedness Programs, CFDA Number 93.074 – National Bioterrorism Hospital Preparedness Program.
