Pregnant? Planning a family? New parent?
Call the **Care Line**. We can help.

What Is The Care Line?

The Care Line is a helpline for women and their families. We make it easier to get the health care you need. All you have to do is call.

The Care Line Can Help You!

Trained staff provide information about:

- Care during pregnancy; Including a book with health information if you are pregnant or have a child under the age of 1
- Family planning and birth control
- Immunizations (Shots)
- Rides to doctor appointments
- WIC Nutrition Program
- Medicaid
- Services for children with special medical needs
- Well child check-ups
- Other public health department services
