Starring the **RECYCLE GUYS!**

America Recycles Day (ARD), November 15, is the only nationally recognized day dedicated to encouraging Americans to recycle and to buy recycled products. The purpose of ARD is to continue to promote the social, environmental and economic benefits of recycling and encourage more people to join the movement toward creating a better natural environment.

This coloring book is based on a series of posters developed for schools. If you would like a full-color poster or to learn more about recycling education programs, or simply for more information about recycling, please visit www.scdhec.gov/recycle or call 1-800-768-7348.

For information about recycling in Richland County, call (803) 929-6000 or visit www.richlandonline.com/departments/publicworks/recycling.asp.
