**INSTRUCTIONS FOR COMPLETING
THE PROJECT CONSTRUCTION SUMMARY FOR RECYCLE PROJECTS**

PURPOSE: The purpose of the *Project Construction Summary for Recycle Projects* is to aid the Project Sponsor with compiling the required bidding documentation necessary for SRF review as well as for reporting minor changes.

INSTRUCTIONS: The Project Sponsor's Designated Representative should complete this form.

Please provide the Project Name, SRF Project Number and Sponsor's Name. Please answer each question, sign form and submit the requested attachments with this form.

DHEC REVIEW AND FILING: The Bureau of Water will use the above referenced form to document bidding information. The form will be kept in the Bidding file of the project name listed on the form. Under retention schedule 15795 the *Project Construction Summary for Recycle Projects* will be filed in the Bidding Subrecord of the project's Management Record and retained for three years following the final disbursement to the project from the State.
