Print Name and Title of Project Sponsor's Representative _____

Submit to:
 SCDHEC, Water Facilities Permitting Division, SRF Section, 2600 Bull Street, Columbia, SC 29201

INSTRUCTIONS FOR COMPLETING DESIGNATION FORM- DHEC 2324

The purpose of the Project Inspection Designation Form is to identify the continuous construction inspection method the Project Sponsor has selected.

The Project Sponsor's Designated Representative should complete this form.

Please provide the name of the Project Sponsor, project name and State Revolving Fund (SRF) project number.

Please identify the selected method of providing continuous inspection during the entire construction period for the referenced project. Also, please submit the requested attachment(s) with this form.

DHEC Review and Filing. The Bureau of Water will use the above referenced form to document the construction inspection method the Project Sponsor has selected. The form will be kept in the SRF Procurement file of the project name listed on the form. The Project Inspection Designation Form will be retained on file with the Bureau of Water for twenty years.
