In accordance with the 1976 Code of Laws of South Carolina, as amended, including SC Code Section 44-1-60(D), a Department Decision has been made to issue Permit No. CP-50000117 v1.0 to the above-named permittee. This permit was previously placed on public notice and open for public comment from October 26, 2023, through December 15, 2023. A joint public hearing was held by SC DHEC's Bureau of Air Quality and Bureau of Land and Waste Management on November 30, 2023, to receive oral and written comments on the proposed project. No public comments were received by SC DHEC Bureau of Air Quality during the official comment period. SC DHEC's decision to issue this permit has been made after consideration and a complete review of the following: the air permit application, applicable state and federal air quality regulations, the public hearing transcript, and all other pertinent information.

This Department Decision includes the following: a) the issued permit which meets the requirements of all applicable air quality regulations; and b) a summary of the project, permit, and applicable regulations as outlined in the Statement of Basis. This Department Decision will be included in SC DHEC's administrative record for this permit decision.
