**Subject:** Additional Guidance for K-12 School Administrators

The following message is for school healthcare providers and administrators:

The CDC has provided additional guidance for K-12 school administrators to help address concerns about the risk of Ebola in the school setting. This guidance is intended to provide educators additional information on public health actions pertaining to Ebola virus disease and provides an overview of the roles and responsibilities of public health authorities and educators.

“Addressing Ebola Virus Infection Concerns in K-12 Schools: Interim Guidance for District and School Administrators” can be found at: <http://www.cdc.gov/vhf/ebola/children/k-12-school-guidance.html>
