Subject: New CDC EMS Ebola algorithm

The following message is for First Responders:

The has CDC issued a new EMS algorithm for dispatch/ 9-1-1 Public Safety Answering Points (PSAPs) for the management of patients who present with possible Ebola Virus Disease. The algorithm provides steps which should be considered when planning prior to the arrival for patient pick up, transportation to the hospital and arrival at the hospital. The algorithm and answering points can be found on the CDC website at <http://www.cdc.gov/vhf/ebola/pdf/ems-911-patients-with-possible-ebola.pdf>.
