

TOBACCO-FREE SCHOOLS

Code **ADC** Issued **MODEL /14**

Purpose: To establish the basic structure for tobacco-free schools.

The board believes that tobacco use and exposure to secondhand smoke (environmental tobacco smoke) are hazardous to the health of human beings, especially children. Therefore, the board affirms that one of the best methods of instruction is one that is provided within a 100 percent tobacco-free environment.

Goal

The goal of this policy is to provide a 100 percent tobacco-free, smoke-free environment for all students, staff and visitors within all district facilities, vehicles and grounds and at all district-sponsored events by doing the following.

- exhibiting healthy behavior for all students, staff, visitors and the entire community
- utilizing a proven and effective science-based tobacco use prevention curricula
- providing access to cessation counseling or referral services for all students and staff

Procedures

- Prohibit the use and/or possession of all tobacco products, alternative nicotine products or paraphernalia including, but not limited to, cigarettes, e-cigarettes, cigars, pipes, smokeless tobacco and snuff by all students, staff and visitors.
- Ensure that tobacco use prevention programs, as recommended by the South Carolina Department of Health and Environmental Control, the South Carolina Department of Alcohol and Other Drug Abuse Services and the South Carolina Department of Education, are an integral part of district substance abuse prevention efforts.
- Provide and/or refer to cessation services for students and staff.

Enforcement

The district will enforce this policy by determining appropriate disciplinary actions for violators (students, faculty, visitors) such as the following.

Students

- parent/legal guardian/administrator conferences
- mandatory enrollment in a tobacco prevention education program
- community service
- in-school suspension
- out-of-school suspension
- suspension from extracurricular activities

Staff

- verbal reprimands
- written notification placed in personnel file
- suspension
- mandatory enrollment in a tobacco education program

PAGE 2 - ADC - TOBACCO-FREE SCHOOLS

- voluntary enrollment in a cessation program

Visitors

- verbal requests to leave school property
- forfeiture of any fee charged for admission
- prosecution for disorderly conduct after repeated offenses

Education and assistance

The district will be responsible for utilizing proven and effective tobacco use prevention curricula to educate all students and providing assistance and/or make appropriate cessation referrals.

Tobacco industry marketing or sponsorship

The district will not accept any contributions or gifts, money or materials from the tobacco industry. The district will not participate in any type of services that are funded by the tobacco industry. In addition, any gear, paraphernalia, clothing, etc., that advertises tobacco use or tobacco products will not be allowed on district grounds or in the possession of faculty, staff or students at district-sponsored events.
