

Cleanup Contractor & Vendor Survey Form

The Emergency Response Section of the South Carolina Department of Health and Environmental Control (DHEC) attempts to maintain a listing of clean-up contractors and vendors available in and around the state. Anyone having a need for the services offered by the firms on our list is free to contact the Emergency Response Section at (803) 896-4000 to reference our list. Please be aware that the Emergency Response Section will not recommend or endorse any firm, its services or products.
