RAIN DATE:

If a previous DHEC sponsored clinic was cancelled due to inclement weather, please call your local DHEC office at (843) 953-0150.

The South Carolina Rabies Control Act requires that all dogs and cats have a current rabies vaccination. For the majority of vaccines, the minimum age to vaccinate these pets is 12 weeks of age. Upon vaccination, the pet should wear the serially numbered rabies tag, provided by the veterinarian, around its neck. The licensed veterinarian will also provide a certificate of vaccination.
