

Jasper County Recycling Centers

Jasper County operates **six recycling centers** with attendants trained to assist you with recyclables and household garbage. These centers **ARE NOT FOR COMMERCIAL USE**, but are for county residents ONLY.

Hours of Operation: OPEN Monday, Tuesday, Thursday, Friday and Saturday, 7 a.m. to 7 p.m. – CLOSED Wednesday and Sunday.

- 1 GRAYS** – 4055 Heritage Road, Grays
- 2 COOSAWATCHIE** – 90 Step School Road, Coosawatchie
- 3 HAPHAZARD** – 1274 Smith's Crossing, Ridgeland
- 4 ROBERTSVILLE** – 7755 Cotton Hill Road, Robertsville
- 5 ROSELAND** – 3770 Coosaw Scenic Drive, Ridgeland
- 6 TOOMERVILLE** – 953 Toomerville Loop, Hardeeville

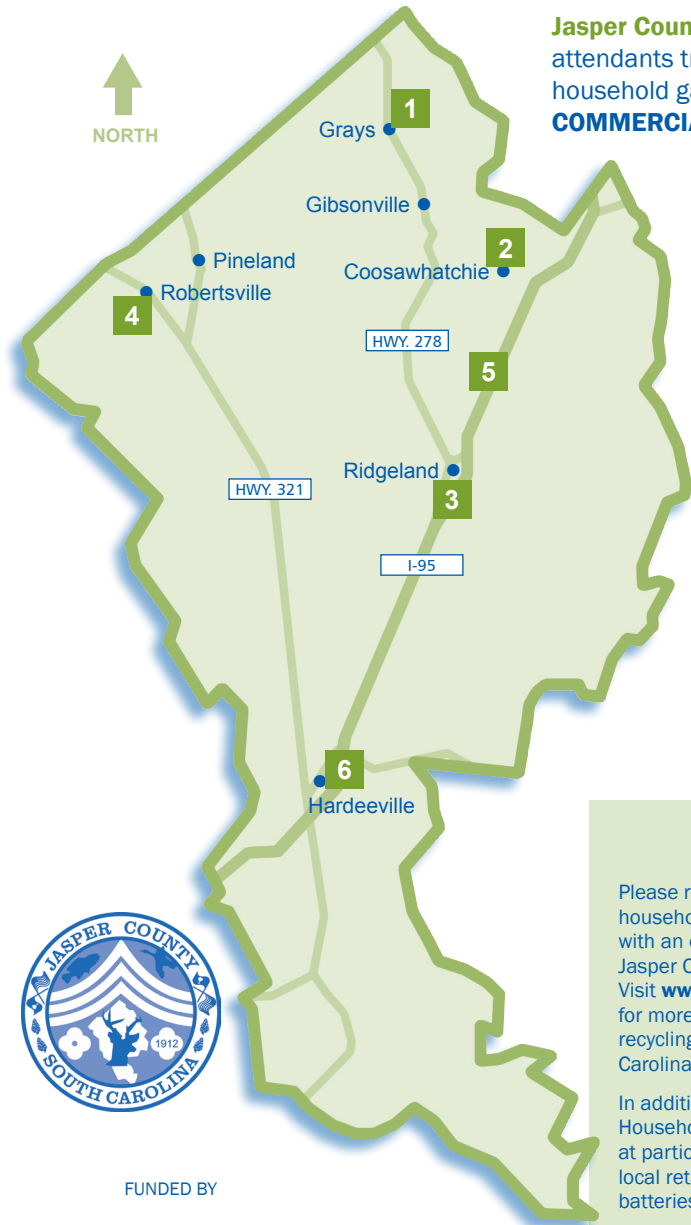

Recycle electronics!

Please recycle your unwanted household electronics (anything with an electrical plug) at any Jasper County Recycling Center. Visit www.scdhec.gov/e-cycle for more information about recycling electronics in South Carolina.

In addition, recycle your **BATTERIES**. Household batteries (sizes AA, C and D) are accepted at participating Radio Shacks. For a list of other local retailers that accept rechargeable batteries, visit www.rbrc.com.

COMPACT FLUORESCENT BULBS also can be recycled at participating Lowe's and all The Home Depot stores.

More to Know

- **ANTIFREEZE:** DO NOT put antifreeze in any used motor oil collection tank.
- **CARDBOARD:** Cardboard with a wax finish IS NOT accepted for recycling.
- **TIRES:** Rims must be removed. Oversized tires ARE NOT accepted.
- **USED MOTOR OIL:** The following petroleum products ARE ACCEPTED and may be put into used oil collection tanks: motor oil, hydraulic fluid, gear oil, diesel fuel, fuel oil, kerosene, automatic transmission fluid and power steering fluid.

Accepted for Disposal

The following items are accepted for disposal at all Jasper County Recycling Centers.

- **FURNITURE** (e.g., chairs, sofas, mattresses)
- **HOUSEHOLD GARBAGE**
- **YARD TRIMMINGS** (e.g., leaves, tree limbs, shrubs) NOTE: Limbs should not exceed 6 feet in length nor 6 inches in diameter. Do not mix garbage or recyclables with yard trimmings.

Backyard Composting

Garden and landscaping debris – like leaves and yard trimmings – account for about 20 percent of waste disposed of. So it makes sense to mulch or compost it instead.

Leaves, yard and garden trimmings as well as food scraps can be turned into a valuable soil amendment – compost. Compost increases moisture retention in soil and enhances its ability to support plant growth.

To learn more about backyard composting, call the Jasper County Soil and Water Conservation District at **(843) 726-7611**.
