COVID-19 is no joke.
There’s no better community service right now than staying at home, avoiding crowds and people who are sick.

Look for ways to help:
• Reach out to support older relatives or community members
• Pick up and **safely** deliver groceries so loved ones can stay home and stay safe
• Stay connected through video chat and phone calls

Be a leader by protecting yourself, your loved ones and others.  
Staying at home and away from others today can help bring a brighter tomorrow.
