NOTICES

INTENT TO SOLE SOURCE

The South Carolina Department of Health and Environmental Control is seeking qualified vendors to update the Talence Learning Management System (TLMS). The system is an online training portal developed to provide customized continuing education curricula for community health workers statewide. This customized continuing education will provide community health workers with enhanced skills focused on various chronic disease related topics such as, diabetes care and management, hypertension, health literacy, insurance navigation, patient/provider communication and social support.

Qualified vendors should contact Satasia Brown at (803) 898-8054 or Brownsj@dhec.sc.gov by September 4, 2018, for additional information..
