Public Meeting

We invite you to attend a public meeting about future environmental cleanup at the Former Duke Power Spartanburg MGP Site in Spartanburg, South Carolina.

Additional Details on Back

Former Duke Power Spartanburg Manufactured Gas Plant (MGP) Site
DHEC Public Meeting on February 27, 2018 at 6:00 PM
Spartanburg County Public Library—151 South Church Street, Spartanburg, SC

DHEC is holding a public meeting to provide information about environmental contamination and final cleanup options at the Former Duke Power Spartanburg MGP Site at 684 Pine Street in Spartanburg. Following a presentation, DHEC staff will respond to any questions or concerns. DHEC's Proposed Plan for cleanup at the site is available at:

www.scdhec.gov/publicnotices

DHEC will accept comments on the Proposed Plan through **March 30, 2018**. Comments may be given at the meeting, emailed, or submitted in writing to Greg Cassidy, DHEC-BLWM, 2600 Bull Street, Columbia, SC, 29201. DHEC will make a final decision on a cleanup option after a review of all comments received. Additional site information can be found in DHEC's Administrative Record which is available on the website above and at the Spartanburg County Public Library.
