

Laurens CeramTec Site
DHEC Public Meeting on February 6, 2018 at 6:00 PM
Laurens Elementary School, 301 Henry St, Laurens, SC

DHEC will hold a public meeting to discuss the Laurens CeramTec Site located at 1 and 2 Technology Place, Laurens, SC (Site). DHEC will provide information about contamination at the Site and alternatives considered for cleanup—including DHEC's preferred cleanup method. DHEC's Proposed Plan for the cleanup is available at www.scdhec.gov/publicnotices.

DHEC will accept comments on the cleanup alternatives through **March 9, 2018**. Comments may be given at the meeting or submitted in writing to Addie Walker at the email address below or by mail at DHEC-BLWM, 2600 Bull Street, Columbia, SC 29201. DHEC will make a final decision on the cleanup after review of all comments received.

On February 6, 2018, DHEC's Administrative Record—containing environmental reports for the Site—will be available for review at the Laurens County Library, 1017 W. Main St., Laurens, SC 29360, as well as on the above referenced web page.
