Re: Revised Schedule for Supplemental Remedial Investigation Activities  
Wix Filtration Corp. LLC Plant, Dillon, South Carolina  
Voluntary Cleanup Contract No. 13-5996-RP

Dear Mr. Hornosky:

On behalf of Wix Filtration Corp. LLC, WSP USA Corp. (WSP) is providing the revised schedule for completion of the supplemental Remedial Investigation (RI) activities at the Wix Plant Site located in Dillon, South Carolina. This revised schedule is being submitted to the South Carolina Department of Health and Environmental Control (SCDHEC) in accordance with the requirement specified in the March 4, 2015 RI Work Plan Addendum and AS/SVE System Evaluation approval letter to Ken McCutcheon of Wix. The information provided herein supersedes the implementation schedule previously submitted to SCDHEC on March 16, 2015.

Based on the approved investigation scope of work, the schedule for completion of the supplemental RI activities is as follows.

- |   |                           |
|---|---------------------------|
| ▪ Field preparation and mobilization                              | March 16 – April 17, 2015 |
| ▪ Sub-slab vapor sampling   | April 28 – 29, 2015       |
| ▪ Collection of operational and monitoring data for AS/SVE system | April 29, 2015            |
| ▪ Laboratory analysis and data validation                         | April 30 – June 5, 2015   |
| ▪ Supplemental RI data evaluation                                 | June 6 – June 26, 2015    |
| ▪ AS/SVE system evaluation  | June 15 – July 10, 2015   |
| ▪ RI Report Addendum preparation                                  | June 22 – July 17, 2015   |
| ▪ Submittal of RI Report Addendum and AS/SVE system evaluation    | July 21, 2015             |

Assuming no significant delays or other unforeseen circumstances, the supplemental RI activities should be completed approximately 4.5 months after Wix received the written notice to proceed from SCDHEC.
