## NOTICES

### INTENT TO SOLE SOURCE

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide one-year service plan coverage for multiple AB Sciex Mass Spectrometer Systems, associated instrument software support and hardware telephone technical support. Service plan coverage is to include performance maintenance visits by a factory-trained service representative, manufacturer OEM parts replacement as needed for corrective maintenance and repair, 2-day response time, while maintaining the standard level of performance as stated in the operational manual provided with the original equipment.

Qualified vendors should contact Rebecca Nichols at (803) 898-1262 by September 25, 2018 for additional formation.
