## **INTENT TO SOLE SOURCE**

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide an Environmental Systems Corporation Data Logger, Model 8864, including at a minimum licensing for use with AirVision and a library of RF-232 and Modbus drivers for digital communications with instrumentation. This model data logger is used for the collection and onsite storage of required air monitoring data and will integrate with existing hardware, systems and data management applications.

Qualified vendors should contact E. Madison Winslow at (803) 898-3487 by February 19, 2019, for additional information.
