

## **INTENT TO SOLE SOURCE**

The South Carolina Department of Health and Environmental Control (DHEC) is seeking a qualified vendor to provide a health education and outreach campaign designed to encourage early entry into prenatal care for women who are pregnant or think they may be pregnant.

Requirements: The offered solution must be an already developed campaign for this is not an opportunity to develop a campaign. Campaign focus should encourage early doctor visits, services that may be available, and financial assistance pregnant women may be eligible for. Information must be available in both English and Spanish and adaptable for the state of South Carolina.

Qualified vendors should contact Janie Young at (803) 898-3471 by November 15, 2018, for additional information.
