# **RECYCLING'S DIRTY DOZEN**

NEVER PLACE THESE 12 ITEMS IN YOUR RECYCLING BIN

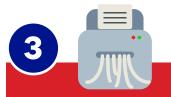

## **PLASTIC BAGS**

Recycle these at you local grocery store or food bank.

## **BAGGED ITEMS**

Don't bag recycled items. Keep them loose in your bin.

## SHREDDED PAPER

It can become litter or iam equipment at the recycling facility.

#### **SCRAP METAL**

Some metal damages sorting machines. Most drop-off sites take it.

# **HAZARDOUS MATERIALS**

Recycle them at a county drop-off center.

# **FLATTENED CANS** & BOTTLES

These cause issues at sorting facilities.

# **UNRECYCLABLE PLASTIC**

See if it is accepted in your program first.

# **CAPS ON GLASS BOTTLES**

Remove and discard before recycling them.

# FOOD & LIQUIDS

Empty and rinse containers that can be recycled.

# **UNRECYCLABLE GLASS**

Don't recycle dishes, bulbs or windows.

#### ROPE-LIKE ITEMS

Hoses, wire and string lights jam sorting equipment.

# **BIO-HAZARDOUS** WASTE

Diapers and syringes can hurt workers.
