Re: Amendment to S.C. Regulation 61-58, *State Primary Drinking Water Regulation*

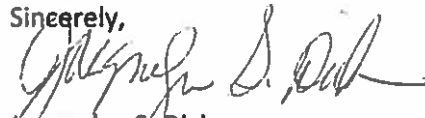

Dear Ms. Toney,

As Acting General Counsel of the South Carolina Department of Health and Environmental Control, I have been authorized by the Attorney General of the State of South Carolina to provide certification for the revision and clarification of R.61-58, *State Primary Drinking Water Regulation*, as required by 40 C.F.R. Section 142.12(c)(1)(iii).

I have reviewed the amendments to R.61-58, which were recently published in the *S.C. State Register* on September 26, 2014 and hereby certify that applicable state law has been followed in its promulgation. The amendment was duly promulgated by the South Carolina Board of Health and Environmental Control pursuant to the Safe Drinking Water Act, S.C. Code Ann § 44-55-10, *et seq.*, as amended, and in accordance with the requirements of the Administrative Procedures Act, S.C. Code Ann § 1-23-10, *et seq.*, as amended.

I hereby certify in accordance with the Safe Drinking Water Act as amended, and 40 C.F.R. Section 142.12(c)(1)(iii), that in my opinion the laws of the State of South Carolina to carry out the program set forth in the "Program Document" submitted by the South Carolina Department of Health and Environmental Control have been duly adopted and are enforceable. The specific authorities are contained in the statutes or regulations that have been lawfully adopted, and are fully effective at this time.

Sincerely,

Jacquelyn S. Dickman  
Acting General Counsel
